2 In regard to making gifts of elephants, His Highness the Maharaja has observed^x on this occasion that the animals presented should be young and of moderate value and that such gifts should be made only to such institutions as have received similar gifts from the State before and are not in possession of elephants at present.

A Vij. Patrika requesting further information has been sent. In the meanwhile as I understand that the elephant is still kept on the hands of the Forest Dept. it will be marched at an early date to Calicut. To effect a sale, I thought it necessary that the application should be brought to the member's notice. While it is not practicable to present an elephant to each of the 8 Parayaya Mutts of Udupi, an elephant to the temple itself will be a suitable present. Pending the receipt of further information, a suitable elephant may

In matters of making a gift to such institutions, this Govt's observations made on a former occasion should be remembered - the fact that an elephant lifted 8 years ago died from want of water and proper food. These animals are not well cared for by their mahouts.

I, the undersigned, the Agent of Udapi Paryaya Puttige Mutt, most respectfully and humbly beg to submit the following prayer for Your Highness' gracious consideration and favourable orders:-

I beg to submit that on the 18th December 1913 I submitted a memorial to Your Highness by the Commands of His Holiness the Swamigalavaru of the said Mutt praying for the grant of 2 elephants for the services of the Mutt, but unfortunately no favourable orders have been passed hitherto.

I beg leave to submit that in the year Parthiva 2 elephants were graciously given to the Mutt by the Palace but both of them died very recently and the need of the elephants have been very greatly felt. It is needless for me to bring to Your Highness' notice that all the requirements for the worship of Sri Krishna in the Mutt are being supplied by the Mysore Palace from time immemorial, and as such, I respectfully pray that Your Highness may be graciously pleased to accord sanction for the grant of suitable elephants to the Mutt.

I also beg to acknowledge with thanks the Alankara-Vastram which was given to Mutt for the use of Sri Krishna

I pray that Your Highness may be pleased to accord sanction early. I have been waiting here for orders for the past many days.

For which act of kindness I shall ever feel grateful.

I beg to remain,

May It Please Your Highness,

Your Highness' most obedient servant,
